

## Maintaining Your Income When You Retire

It's scary to stop working because that paycheck you've gotten for decades will come to a end. But does that mean you need to work yourself into the grave? Probably not. You just need to plan carefully and structure your investments to generate income. You don't need to focus on growth as much when you're retired as you did when you were working.

Tools for squeezing some income from your portfolio...

- \* Bond ladders
- \* Stock portfolios that pay dividends
- \* Mutual funds that pay monthly dividends
- \* Real Estate Investment Trusts (REITs) and REIT funds
- \* Using principal at a measured pace

Wherever you are on the path to retirement, *The Goldstein on Gelt Show* helps you manage your money better. Download our latest episode to
