10 Great ideas for husbands and wives who don't want to fight about money

For over 26 years, my wife and I have handled our money like a great team. These are some of the tools and tricks we have used. (Email me what works for you – Doug@Profile-Financial.com.)

1. We have joint accounts.
2. We look at our income and expenses together on a regular basis
3. We make big money decisions together, but not small ones
4. We talk about our future a lot
5. We don't panic when the market drops
6. We talk to our kids about money
7. We don't have debt
8. We stay up-to-date with our taxes
9. We diversify
10. We don't own rental properties (because we're not the right personality for that)
